# HOLLOWAY TECH. AWARDS & RECOGNITION

## 2002 Agricultural Environmental Leadership Award

- Florida Agriculture Commissioner Charles H. Bronson presented the award to Holloway Technology on October 30, 2002
  - ◆ *Award was presented in recognition of the leadership in promoting progressive environmental practices.*
  
- "The Ag-Environmental Leadership Award program spotlights the environmentally innovative farming practices of our state's growers and ranchers," Bronson said.
  - ◆ *"Focusing public attention on their efforts helps illuminate Florida agriculture's dedication to preserving the environment and conserving natural resources while helping ensure a continuing supply of food and fiber," Bronson.*
